Description

Model

Upright drilling machine

551

ID

72500

Height

85 cm

Weight

30.2 kg

for AC power supply 230 V~, rated power input 550 W, belt drive, speed range 500 - 2500 rpm, 5 speed levels, clockwise rotation, spindle mount MK 2, spindle projection 127 mm, drilling depth 60 mm, drilling table size 197/197 mm, drilling table swiveling ($\pm 45^\circ$) and rotating ($\pm 180^\circ$) drilling table stroke 230 mm (spindle distance table 60 - 290 mm), rack and table height adjustment, T-slot width 16 mm, column $\varnothing$ 60 mm, max. drilling $\varnothing$ in steel 13 mm, incl. keyless chuck B 16. 1 - 13 mm, size of base plate 210 x 340 mm, total height 850 mm, including fastening material and assembly on work table.

Additional equipment: machine vice 3"/ 75 mm, 2 clamping screws 16 mm, HSS drilling cassette 1 - 13 mm 25 pcs.

Changes and errors reserved. Illustrations similar.
